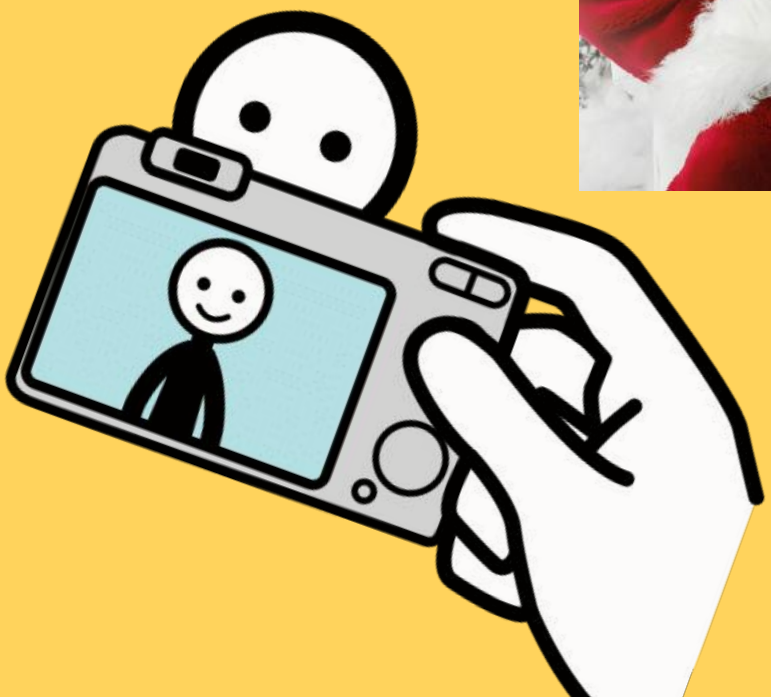
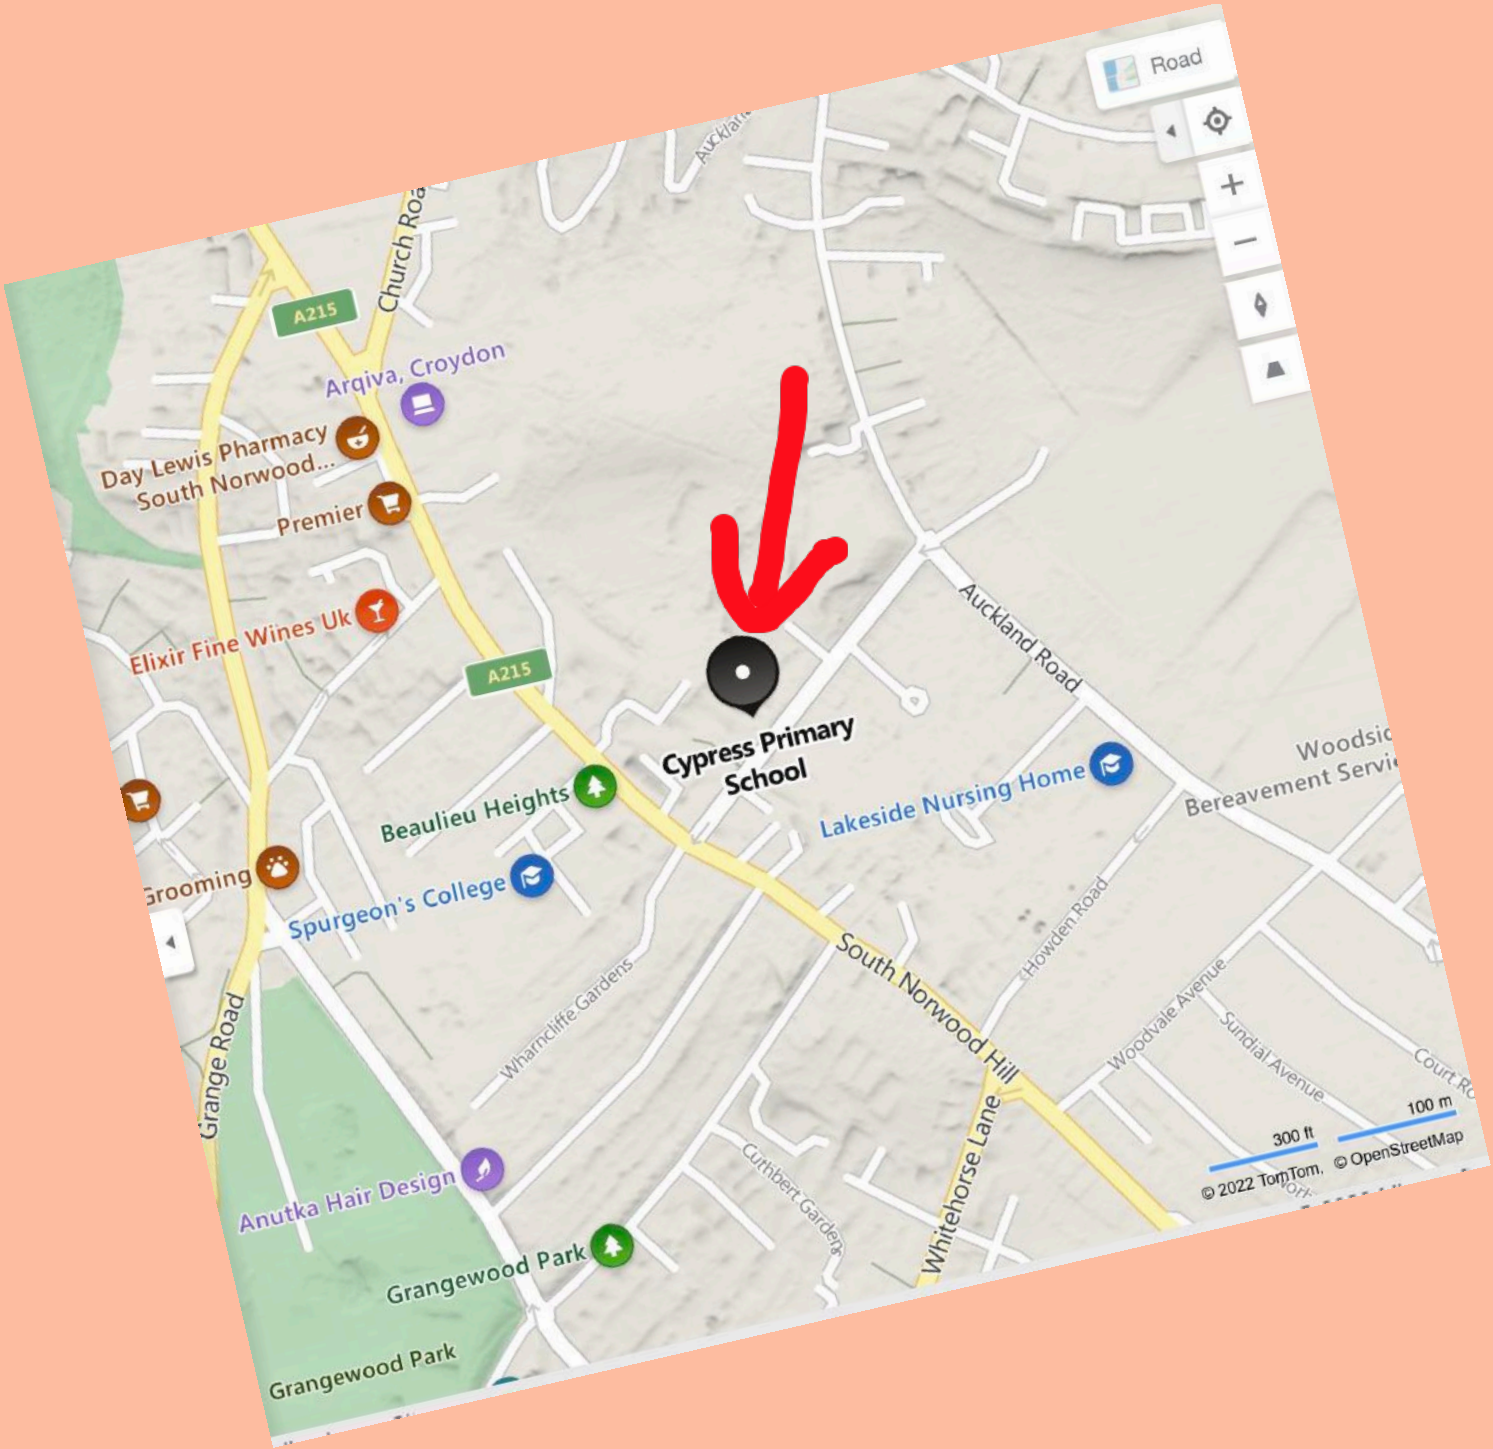
MERRY
CHRISTMAS

During the holidays, some people like to go visit Santa to get their picture taken.

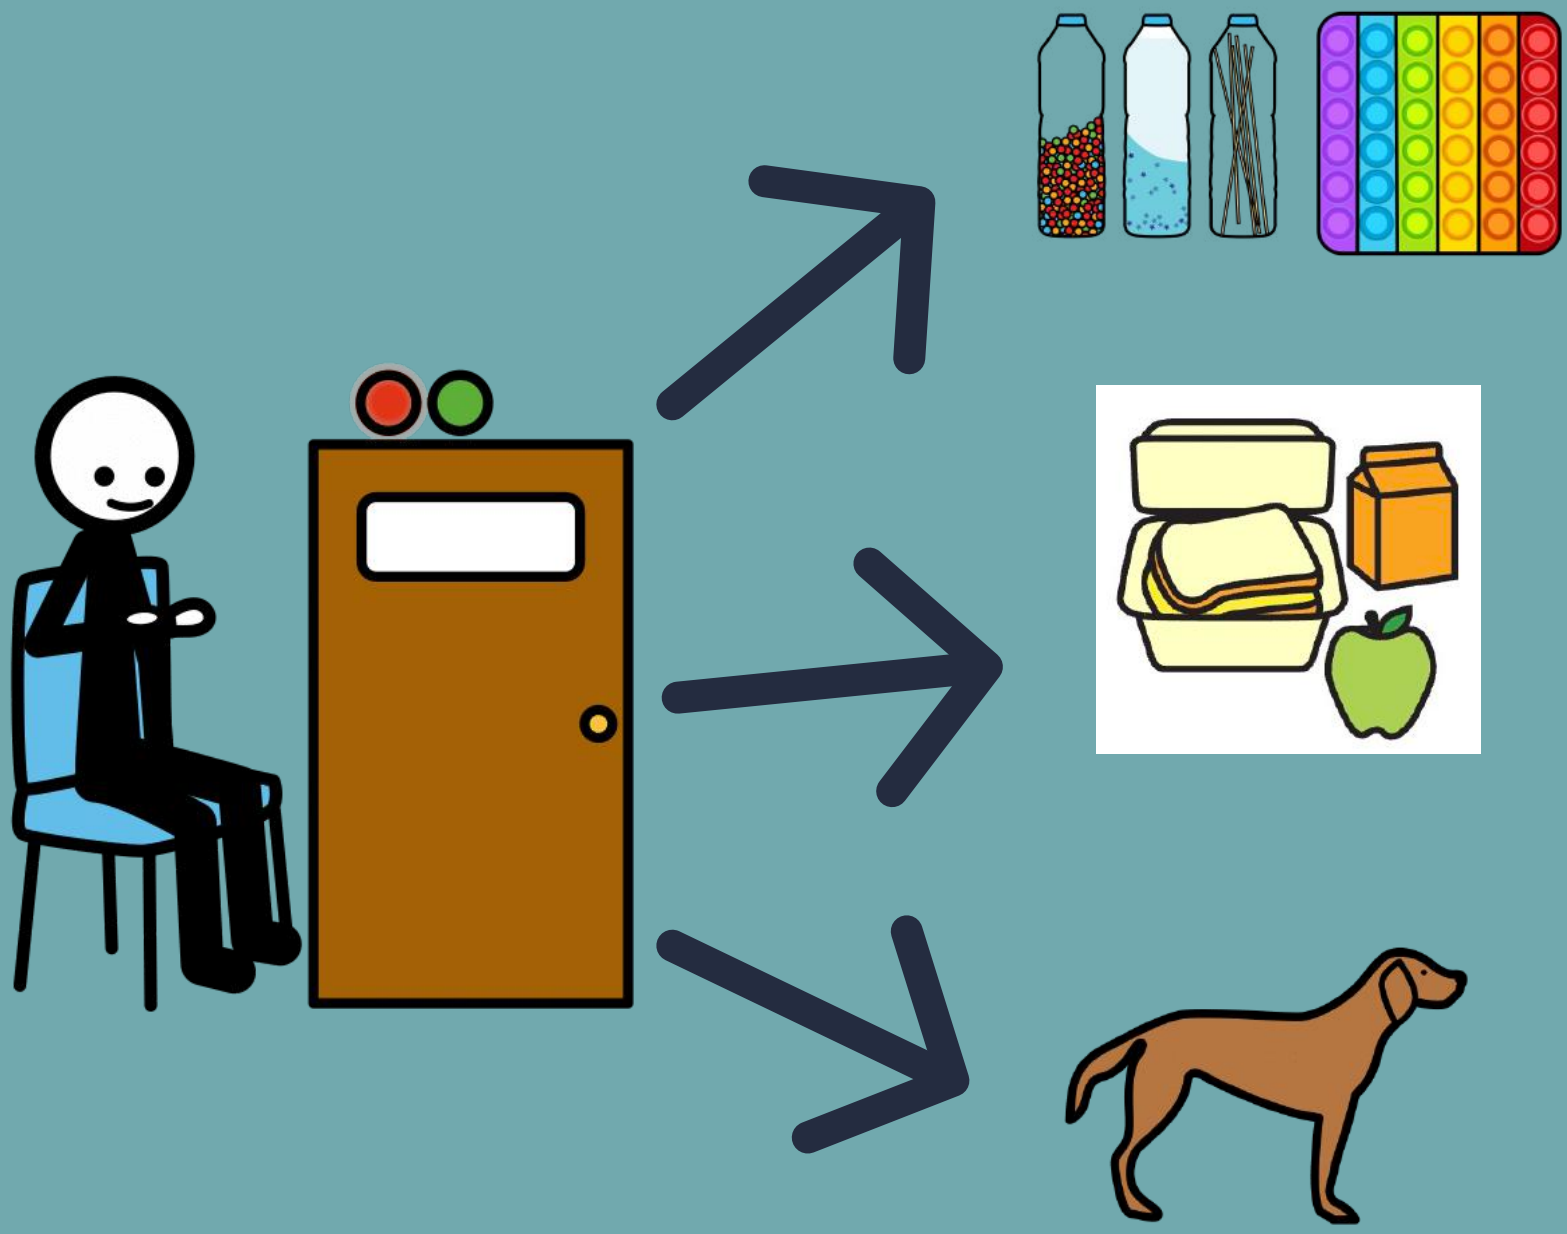




This year, you will visit Santa at Cypress Primary School

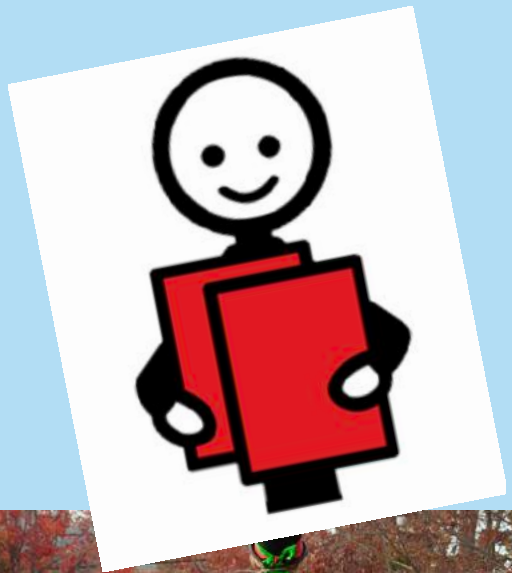
When you get there, you will sign in at the front with the help of your adults.

When you go around to wait for your turn to talk to Santa, you will see Santa on a sleigh, being pulled by a horse!



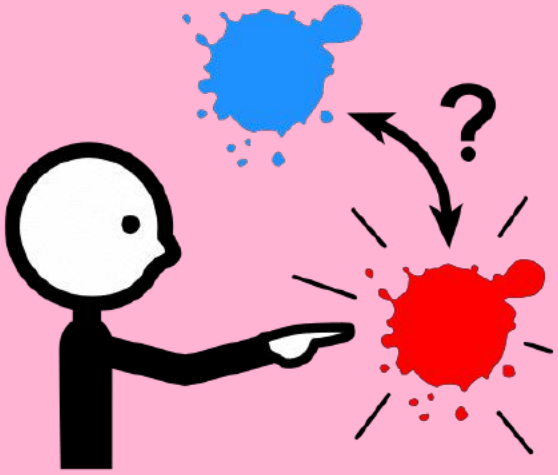
While you wait, you can use sensory tools, have a snack, or pet a cute little dog.

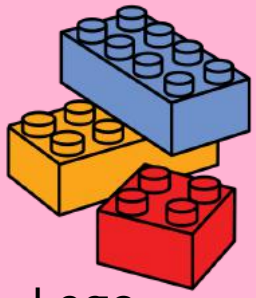
When it is your turn to see Santa, you may be surprised by the way he looks with his big beard, but Santa is very friendly and kind.



If you want, you can tell or show a Picture of what you want for Christmas.

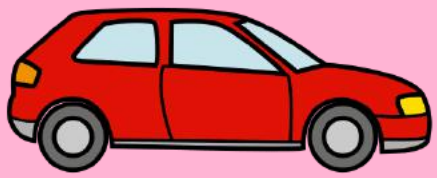
The photographer will take your picture, and you can say, “Cheese!” and smile.





Lego

Art supplies



Cars

After you see Santa, you can pick a gift from our wagon!

It will be so much fun!!
